DEDICATION

To the Parents of Seniors

To dedicate a yearbook is to bestow an honor, to express an appreciation, to give a concrete remembrance to someone or some group of people that has been a wholesome influence in the life of seniors. Although this page is frequently topped with a picture of one of our teachers, it was the opinion of our class that this year this page be reserved for the most influential group of people in our lives—our parents. For that reason there is not a picture on this page, but there is a sincere attempt to express a little of what we know we can never really express—our appreciation, our respect, and our thanks to our parents. To say what we really feel is a responsibility beyond our humble powers, but the same understanding that was with us during those twelve, sometimes long, sometimes anxious, often wonderful years, is still with us as we write these lines. For your assistance, your help, and often for just your presence we, the class of 1956, dedicate this yearbook to our parents.

Busy on the annual. The staff includes, left to right: Marianne Lefelhocz (asst. editor), Marvin Latva (artist), Richard Katila (editor-in-chief), Barbara Gillespie (feature editor).

Harbor Light Staff

After many hours of thought, worry, and work the Staff has presented a book which we feel contains work produced with the best of our abilities. We know that many pages are new and quite different in arrangement from what has been done before. We intend that this Harbor Light become a memory book not only for the seniors, but for all who at this time are students of Harding High.

Acknowledgments

We, the Staff of 1956, wish to thank the following people for their time and effort in making this book what it is: Mr. Dale Knapp who acquainted us with this task and had confidence that we could produce the book; Miss Hazel Rugg and Mr. George Daly for their proofreading; and all others who have helped us in any way.

Richard Bell (photographer), Albin Ulle (sports editor), Mary Ann Moroz (asst. business manager), and William Stange (business manager) make up the rest of the yearbook staff.

With mixed feelings of sadness and joy, the girls arrived at school on the first day.

Through The School Year

The school year lasts from September 6 to June 1 this year. During these 179 days a great deal is learned. This learning not only includes what is gained from books, but also what is received from extra-curricular activities and assemblies that take place at Harding. The whole program makes a well-rounded student.

Assemblies this year included: Mr. Dallavaux's talk on manners, the Manhattan Trio's group of popular and semi-popular songs, William Haakar's piano selections, T. J. Corgan's adventure in time-lapse photography, the Sloan's assembly on science and liquid air, and many student participation assemblies.

In the **Through the School Year section** in this book we have included many pictures which should bring memories of some of that which happened during the school year. Countless things have happened which we were not able to include. To learn more read through this book. Better yet, ask any student of Harding High.

Through The School Year: Music

For many years Harding High has had an exceptional musical program. This year's activities can compete with the best we have ever had. The performances of the vocal groups under the direction of Mrs. Williams, and the band with Mr. Luoma at the helm, have again proved themselves to be an example of the musical talent which is found at Harding.

The band began its activities for this school year in the summer vacation preceding the opening of school. The group was learning to play and march as a special attraction of the football season. They presented excellent half-time shows.

In January the band presented a concert to honor the mid-year graduates. Many practice hours were necessary to create the program of music which was

offered. Then came the Lake County Band Festival, the WICA radio transcription along with the Choral Club and the combined music concert which was later in the Spring. These events highlighted the band activities.

The vocal groups have done equally well. Under the direction of a new leader the groups have presented many performances which have brought compliments to the school. Very early in the school year, the Choral Club sang a few selections to open an assembly. Since that time, the vocal groups have made many appearances. The Christmas Concert was one of the most inspiring ever to be heard at Harding. The County Chorus Festival was another notable event. We, the students of Harding High are proud of our band and vocal groups.

Through The School Year: Social

Harding High is not "All work and no play." This formula would make Harding a dull school. Many events through the year provide entertainment for students. The various classroom groups schedule parties on school nights in order that they might eat, dance, and be merry. The socials are a source of getting acquainted with your fellow students and teachers.

In November came a highlight of the fall semester—the football dance which this year was coined the Harding Hop. In the middle of the evening, the Royal Court was announced. Our fall dance is always a pleasant interlude from schoolwork.

On February 11 the Junior Class sponsored a dance, the Valentine Dance. This dance was attended by a large number of students. At this dance, the school

found out who the best dancers were in the various fields: waltz, polka, and jitterbug.

The Junior High Party provided entertainment especially for those in grades 7-9. The evening included playing games of all sorts, eating food to the bursting point, and dancing to your heart's content. This date is always remembered among high school years.

The Tinsel Twirl and the April in Paris dance provided enjoyable evenings for those who attended. These dances provided excellent opportunities to mingle and discuss school affairs.

Everyone in school who is old enough to attend looks forward to the Prom. This is it as far as socials are concerned. The large hall with its dance band is the setting for the girls in formals and boys in dinner jackets. This, together with the party afterwards, makes pleasant memories that last for a lifetime.

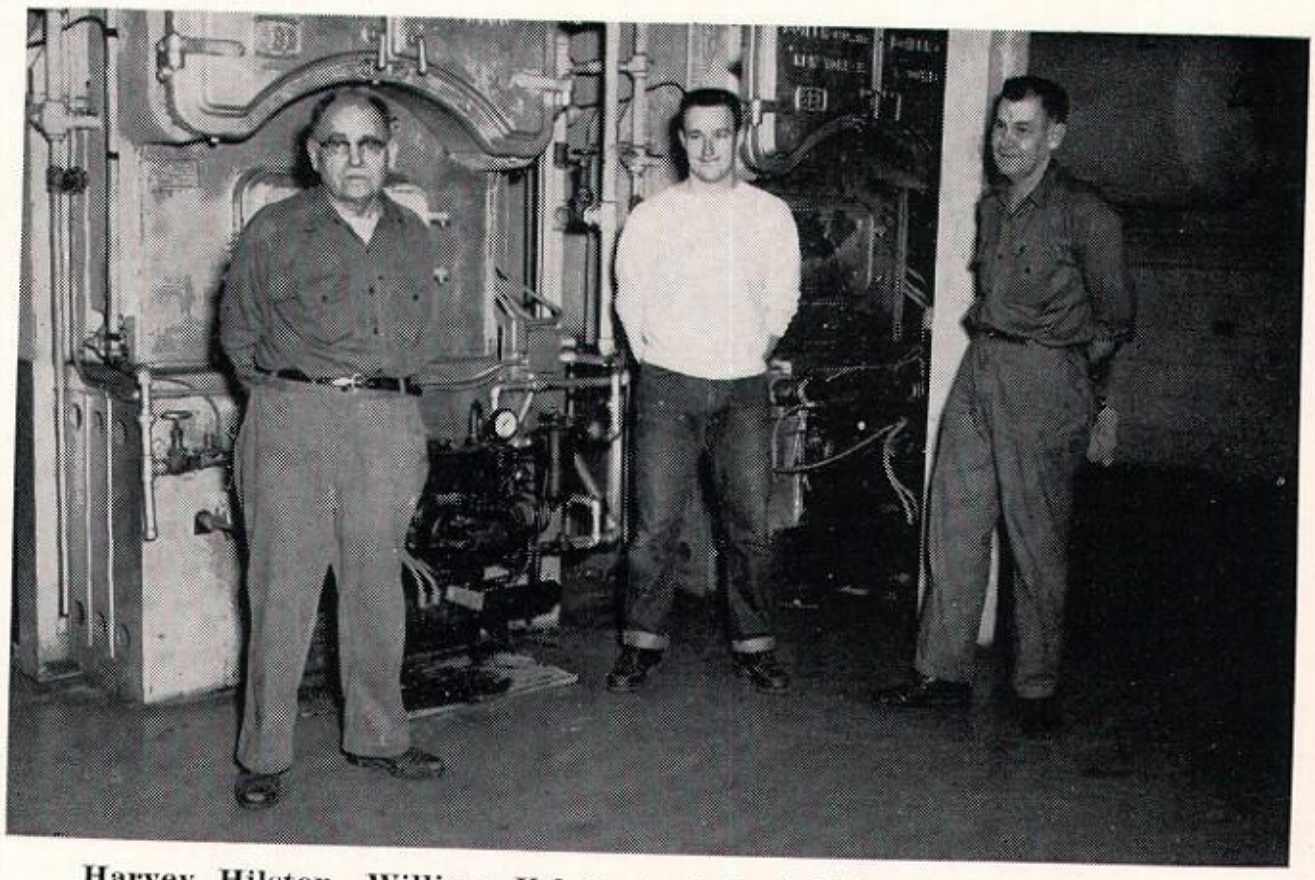
OUR LIBRARY FACILITIES

Mrs. Casey, the head librarian, and her assistants, have maintained a library which is very worthy of praise. There is probably no other town, the size of Fairport, which has the facilities which we have. Students are able to spend many periods in the library during the school day and to spend hours there studying in the evening.

Reading material is of no value unless it is read. Our library not only draws Fairporters, but also many others. Inside the walls of the library building, much knowledge has been gathered. Many can base their success upon what they have learned through the facilities of an outstanding library.



Harvey Hilston, William Urban, and Neal Hilston: janitors at Harding High. We are all grateful that they keep our school in tip-top condition.

Superintendent

End and Beginning

Seniors: Four years of work and play have brought you to the climax of your secondary education. If your formal education is completed I hope that Harding High School standards and requirements have served as adequate preparation for your chosen life work. Some graduates look forward to further intellectual enrichment at the university level. May Commencement be the beginning which will open the door to success in many fields of endeavor.

High school should awaken in each of you the desire to serve society to the best of your ability. The satisfaction derived from serving man and country is the greatest achievement of any individual.

I congratulate you upon your attainments and extend best wishes for further success.

Carl P. Williams, Superintendent

ADMINISTRATION

Seniors of 1956

A milestone has now been reached in an important event of your life. For the past few years you have studied and you have learned. This type of process is a necessary preparation for the type of society in which we live. Our aim is to acquire knowledge to best fit our needs for a purposeful and useful life—not only for the benefit of ourselves but more important to understand and appreciate our fellow citizens.

You and I each have a solemn duty for which we are morally responsible. In order to realize man's value we must have a spirit of democracy and be ready to uphold that true spirit—sometimes at the risk of great sacrifice. You have prepared yourselves to meet any challenge that may be interpreted as an infringement upon our democracy. Remember your heritage and be proud of it.

As you go to your job or college my best wishes are with you.

NATIONAL HONOR SOCIETY

April 12 marked the day when the eight seniors listed below were received into the National Honor Society. This ceremony was the most impressive ever to be seen at Harding. The eight were tapped by Mr. Branthoover. They departed from the auditorium, then returned in a processional which included all the faculty who took part in the program.

While on stage, the four cardinal virtues of the society were explained: scholarship, leadership, service, and character. The chosen seniors were presented their membership certificates and society pins. They recessed from the stage each having attained the highest honor which can be given to any high school senior.

Those taking part in the National Honor Society program are, left to right: Richard Katila, Frances Hilston, Mr. Luoma, Rosalie Bacso, Miss West, Mary Ann Moroz, Mr. Williams, Mr. Branthoover, Marianne Lefelhocz, Mary Hunter, Mrs. Martin, Jeannette Mackey, and Kenneth Urban.

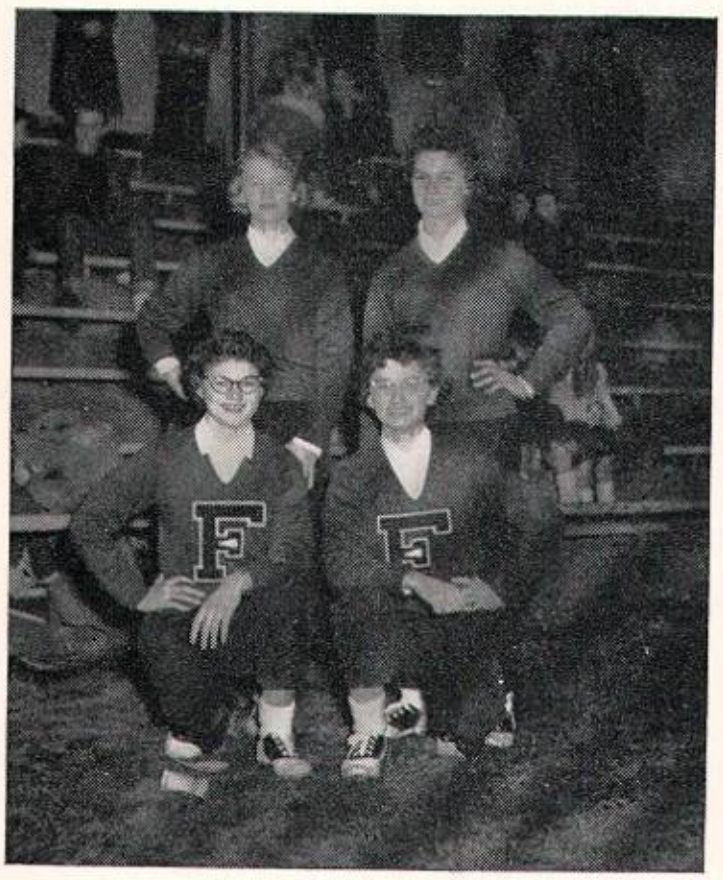
VARSITY FOOTBALL

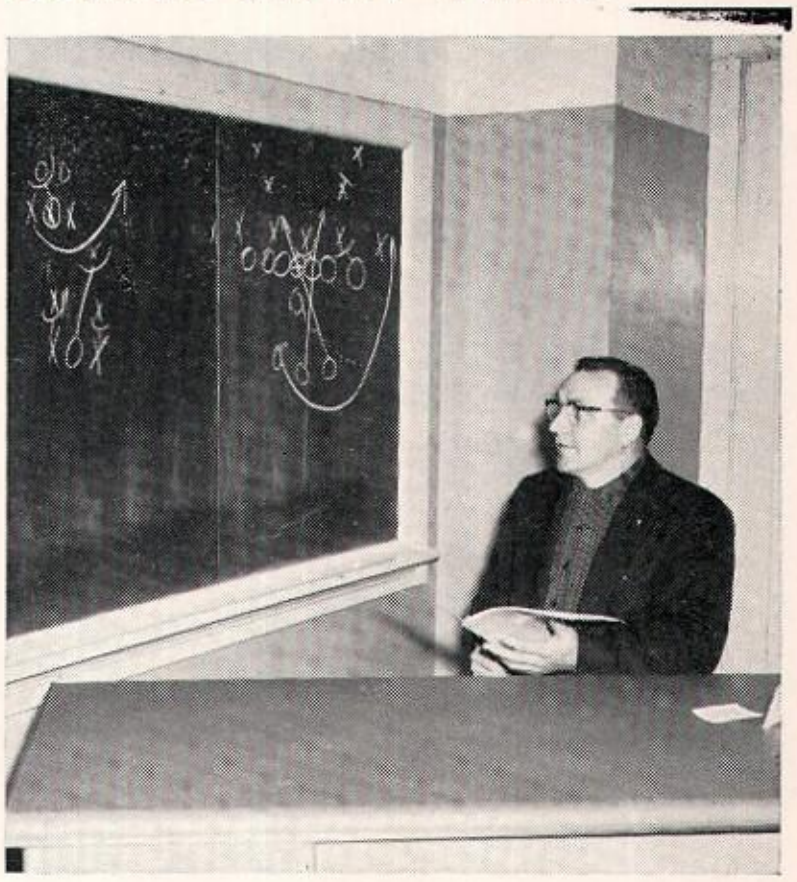


Cheerleaders, left to right, kneeling: Mary Jean Caruso, Roberta Alto. **Standing:** Margaret Wilson, Janice Ticel.

The Skippers just didn't seem to be able to get started after their impressive showing against the undefeated Mentor Cardinals. This year the Skippers lacked the necessary bench strength and lost much of the winning spirit after their heart-breaking defeat to Mentor.

With the able leadership of Coach Matt Ivary and Assistant Coach Daly, the Skippers were able to round out the season with a 4-4 record. They were in fourth place in the Northeastern Conference with a 2-3 record. The Skippers hope to go undefeated next year.

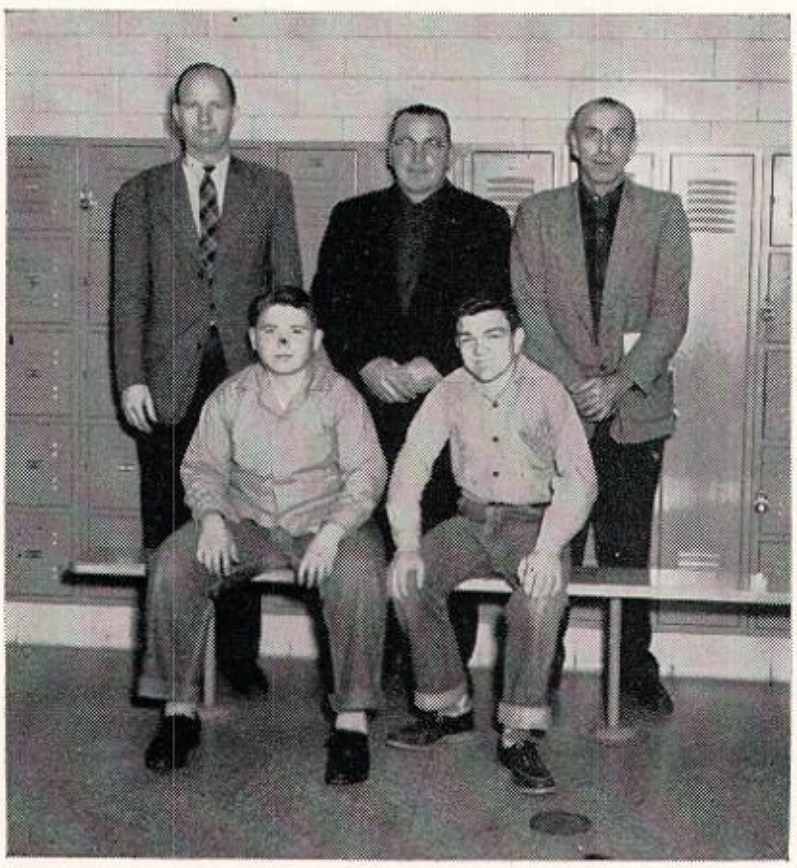
A TRIBUTE TO COACH MATT IVARY



Coach Ivary's last year at the helm.

The final game of the 1955 football season brought down the curtain not only on the high school football careers of nine graduating seniors but also on the coaching career of "Matt" Ivary. Mr. Ivary, a home town boy, started coaching as an assistant at Fairport in 1939 after graduating from Ohio University. In 1948, Coach Ivary took over the job of head coach and has held that position ever since. During his reign as head coach, Mr. Ivary has compiled a remarkable record of 52 wins, 17 losses, and 2 ties.

While a student at Ohio University, he played guard on a winning team during the days of Coach Don Peden, one of the foremost grid mentors of the late 30's. In 1938, Coach Ivary was named to Little All-American honors as an O. U. guard. To say that he enjoys football would be an understatement; his interest in coaching is equally as great.



Coaches and Managers. Left to right, seated: Roy Clark, Donald Rinyo, **Standing:** Jack Lauver, Matt Ivary, George Daly.

Mr. Ivary is far from being just a coach. He is liked and respected by all who have come in contact with him. He has been an advisor who could be counted on for sound and helpful advice. Mr. Ivary also enjoys working with boys and girls of elementary-school age. He is the director of the summer recreation program for boys and girls. With his guidance and good example, Coach Ivary has influenced the lives of many of his young followers.

Mr. Ivary resigned, mainly because he wants to teach physical education at the Fairport McKinley Elementary School which position he will hold next year. Good luck to a man who has won the hearts of many with his amiable disposition and faithful consideration. May your future years at McKinley School be rewarding ones.

KEN URBAN - Senior - End

Ken was one of the starting Skipper ends this year. He was equally as capable on defense as offense. He snared many a pass that seemed impossible to catch.

RICHARD KATILA - Senior - Guard

"Princie's" ability to open those holes paved the way for many a T.D. for the Skippers. He was one of Fairport's "seven rocks of granite" on the line.

ROBERT LURVEY - Senior - Tackle

Bob played mostly defense for the Skippers, as his hard hitting tackling was important. Bob's good nature and defensive ability will be hard to equal on next year's team.

NORMAN RANDA - Senior - Quarterback

"Sneeze" saw considerable action in the backfield this year. His capability as a passer will be hard to match.

JOSEPH WALTERS - Senior - End

This was "Curlie's" first year out for football. He caught on quick and earned himself a starting berth on defense. Joe's spirit will be missed next year.

RICHARD ECKERT - Senior Captain - Tackle

At 210 pounds, "Crunchy," chosen "Most Valuable Lineman," was the largest boy on Coach Ivary's squad this year. Besides being one of the important factors on the Skippers offense, "Crunch" was also outstanding on defense.

ROBERT POTTI - Senior - Fullback

Bob, who was chosen on the first team of the N.E.C. All-Star team, was the "bread man" of the team. Bob's plunging power gave Fairport those added yards which were many times decisive.

DARRYL MACKEY - Senior - Halfback

Possessing both speed and robust power, "Bull" was a hard man to bring down. His importance was rewarded as he was chosen "Most Valuable Backfield Man."

TOM REMALEY - Senior - Tackle

"Hank" was equally as important on defense as he was on offense. Because of an ankle injury, he missed a few games during the middle of the season. His team spirit could always be counted on during the pressure periods.

RICHARD ORRIS - Junior - Guard

Richie is one of the finest linemen around as his courage and ability were shown throughout the season. Great things are expected of Rich next year.

GARY BRAINARD - Junior - Halfback

Gary was the scatback of the team. When he broke loose, he was tough to catch. Gary was hampered part of the season with a shoulder injury. He will bolster the Skipper squad immensely next year.

ROBERT MYERS - Junior - Quarterback

"Hick" saw plenty of action this year. He possesses an accurate passing arm and a fighting heart. He will return next year to increase the Skippers hopes of a fine season.

DELBERT KELTTO - Junior - Center

Although a little green at the beginning of the season, Del shaped up to be a strong center man on the Skippers' offensive forward wall. Delbert will be back next year to strengthen the Skippers' line.

RAYMOND NELSON - Junior - End

Ray started at right end for the Skippers this year. His fine blocking and defensive toughness greatly aided the Skipper cause. Ray's ability will be welcomed next year.

MARVIN LATVA - Junior - Tackle

Marv saw most of his action on defense. This boy was hard to move as opposing line men found out. Marv will be back for another fine season next year.

ROBERT HOLPIT - Junior - End

Bob saw limited action as an end this year. His kicking ability got Fairport out of many holes. He showed his ability in the Riverside contest when he caught 3 touchdown passes. He will be back next year to fight for a starting berth.

ALBIN ULLE - Junior - Quarterback

Al started his first year at quarterback for the Skippers after having played halfback the last two seasons. He will be back next year.

ROBERT JARBOE - Sophomore - Fullback

Bob played fullback and halfback for the Skippers this year. But his importance was found on defense, as he displayed some keen ability as a linebacker. This young lad will be back to strengthen the Skippers squad next year.

REVIEW OF FOOTBALL GAMES OF 1955 SEASON

Fairport 32 — John Hay 0

The Skippers' offensive and defensive squads shined as they had little trouble in overcoming the boys from Cleveland. Halfback Gary Brainard led the offensive attack with a pair of touchdowns.

Fairport 19 — Mentor 21

The Maroon-and-White were stopped not by the Mentor team, but by Father Time. The Skippers were on the one yard line when the game ended. Led by Brainard, Mackey, and Potti on offense, the Skippers out-totaled the Cardinals in all statistics except points. Two blocked kicks by Mentor dealt the death blow to the Skippers.

Fairport 19 — Geneva 0

The boys from Fairport copped their first Northeastern Conference victory by downing a persistent Geneva squad. Potti, Eckert, Latva, and Katila held up the stalwart wall of Fairport while Mackey and Brainard led the offense.

Fairport 6 — Painesville 32

The Skippers just couldn't seem to get started in this one. The Painesville boys dominated play in both the first and second halves. The Fairporters' lone run came on a quarterback sneak by Bob Myers.

Bob Potti scoots around end for considerable gain against the Vikings from St. Joseph of Cleveland.

Most valuable players, Dick Eckert and Darryl Mackey, receive trophies from V.F.W. Commander, Robert Quinn.

Fairport 32 — Riverside 6

After three straight losses the Skippers bounced back against the Riverside Beavers on a snow-covered field. Dad's night was being celebrated at this game. Bob Holpit led the Skippers by catching three touchdown passes. Everybody got to play in this one as Coach Matt Ivary emptied the bench.

Fairport 13 — St. Joseph 7

The Skippers ended the season in fine fashion with an impressive victory over St. Joseph of Cleveland. Touchdowns by Brainard and Potti spelled victory for Fairport. This was the final game for seniors: Katila, Eckert, Mackey, Urban, Potti, Remaley, Walters, Randa, and Lurvey. This was also Coach Matt Ivary's last year as he announced his resignation to the school board.

Fairport 0 — Conneaut 9

Both teams fought to a scoreless tie in the first half. The Conneaut team scored a safety and a touchdown in the second half to spell the third defeat for the Skippers. Defensive standouts for the home team boys were displayed by Orris and Remaley.

Fairport 6 — Ashtabula 24

The Maroon-and-White eleven found the Ashtabulans a little too much to handle as they dropped their third N.E.C. ball game. Two intercepted passes and a fumble caused the defeat for the Skippers. Myers scored the lone touchdown from one yard out.

Albin Ulle brought down hard by a determined Geneva Eagle tackler.

FOOTBALL DANCE

The annual football dance proved the biggest social event of the year so far at Harding High School. More than 100 couples participated in the event, which brought the grid season to a close officially at Harding. Mary Hunter and Richard Katila, seniors, were crowned queen and king by Richard Eckert, captain of the 1955 team.

Their identity was kept secret until the crowning ceremonies which followed the second dance of the evening. They were led to a throne in a canopied area at one side of the festively-decorated gym.

Nominations for the queen were made by the Skippers squad and for king by the school cheerleaders. The whole student body voted for those who were included in the Court.

The Royal Court included:

Richard Katila and Mary Hunter _____ King and Queen
Darryl Mackey and Carole Daffner _____ First Attendants
Richard Orris and Carol Cooper _____ Second Attendants

JUNIOR HIGH CHORUS

Junior High Chorus membership consists of eighth and ninth grade students who show an interest in improving their singing ability. The club meets and rehearses through regularly scheduled music periods. Many members go on to Choral Club after a good background has been established in the Junior High Chorus.

This group also performs at the annual Christmas and Spring Concerts. The boy sopranos from this group add a striking note. Thanks to the direction of Vocal Supervisor, Mrs. Helen Williams, this group has maintained a high-quality performance.

The projects that the Y-Teens have participated in during the past year are as follows:

FUND RAISING PROJECTS — selling Christmas cards and Skipper pencils.

SERVICE PROJECTS — packing Christmas baskets for needy families, sending dolls to Korea, and giving contributions to the World Fellowship Program and the Ohio YWCA program.

As you see this club has been quite active. It provides wonderful fellowship for the girls in senior high.

The highlight of its activities is the annual Mother and Daughter Banquet held each spring.

Youth Traffic Council of the Cleveland Automobile Club is an organization designed to promote safer driving of the young people of the community and to promote public recognition of the competent young driver. The group presented an assembly on safe driving. A car check was planned and student drivers were urged to participate in the driving Road-E-O.

YOUTH TRAFFIC COUNCIL

Dear Seniors:

Most of you are now or will be automobile drivers and, as such, a great social responsibility is placed in your hands. An automobile requires an individual with a mature mind to control it.

Always drive as though your life depended on it for well it may. Be a safe driver at all times, not a statistic.

Sincerely,

Jack C. Lauver

CLASS HISTORY

We the class of Nineteen-hundred and fifty six wish to salute you Harding High:

You who have nursed us through the last four years of our lives. Bearing all the qualities of a mother, you have given us something from which we shall derive our future plans and dreams.

You have laid the foundation—leveled the earth, mixed the mortar, and set the stones—and now as we prepare to embark upon life's travail, we stop and fondle the remnants which we will always keep in our hearts. Memories. . . .

The year 1953 found us in our freshman year—clumsy, willing to try anything once, and for the most part a little incapable. The teachers found us quite a boisterous lot and we fought to maintain their opinion.

The following year (1954) which was our sophomore reign split us up a little more. Choral Club, Boys' and Girls' Glee Club, sporting events, band, and other activities played an important part in our lives, and to top it off, we grew! 1955—found most of the boys running around in football uniforms while the girls were jousting with soccer and basketball. Intramurals became more pleasant because we were now juniors and did not have to be a goal-tender or a substitute.

Among the numerous social events was the Prom. This gala event was held at Madison Country Club. We all had a tremendous time!

That brings us up to our lives and to you Harding we owe a deep, immeasurable sum.

You have exemplified a free spirit and a liberal hand, when necessary; exercising your resources carefully and modulating your vast reserves of knowledge to the fullest possible extent. You have never become easily distressed at our failures to live up to your standards, but have continually urged us to keep striving.

Our past has been rich, but our future can and will be much brighter. The cornerstone which you have laid in our minds has already given way to a much larger structure; a framework of nerve and sinew, constantly turning over new ideas and modes of thought.

We shall never forget you Harding. You are deep down in our soul; wedged between the chambers of our heart. You have been the lifestream in our veins. That you should pass so quickly from our lives, leaves us cold and barren; but we are not the first to say good-bye, nor shall we be the last.

You shall continue pouring out your rich wisdom into the hearts of young America; creating men from boys and women from girls.

Our ignorance has been lessened, but more important, we have learned the art of association with our brethren. Our character has been molded and set to assume the personality of young men and women. We owe to you an immeasurable debt of gratitude through your patient efforts, and we only hope that we can uphold your criteria and conquer our problems.

For these and for all the other countless heartaches and ills which you have suffered on our behalf; we thank you.

Minor Miracle

A one-act play by Verne Powers.

Minor Miracle is the story of four men fighting against the forces of the sea. Their tanker has sunk and their fate rests in the hand of God or luck, whatever the feeling may be. The men are almost on the verge of going out of their minds. Only by a trust in God are they able to look forward to a hopeful future.
